pukkia

haluavat mennä

niitylle

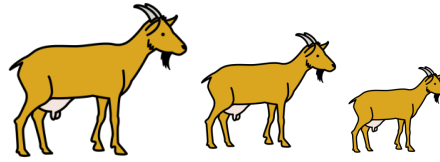

syömään vatsansa täyteen

katsomaan televisiota

pesemään hiukset

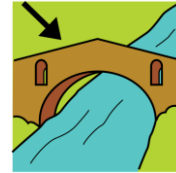

Päästääkseen niitylle

heidän

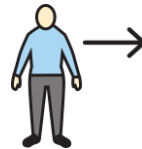

täytyy

kontata tunnelin läpi

ylittää silta

mennä taksilla

Matkalla

niitylle

asui

pelle

kuningas

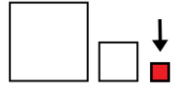

peikko

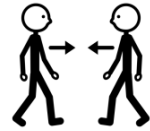

Kun

pikkupukki

lähestyi

niittyä

joku huusi: minä tulen ja

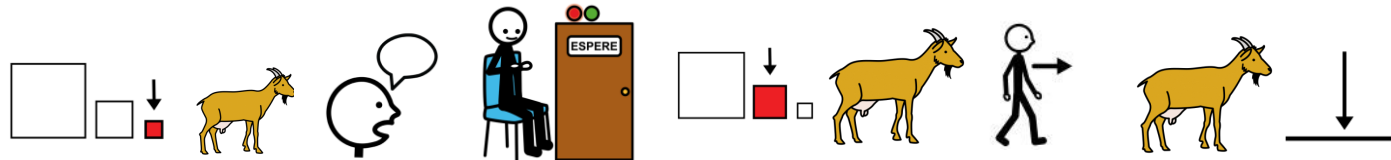

halaan sinua

syön sinut

annan sinulle lahjan

Pikkupukki sanoi silloin: odota että Keskipukki tulee.

Hän on

isompi kuin minä

kiltimpi kuin minä

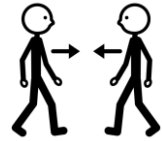

paremman makuinen kuin minä

Kun

Keskipukki

lähestyi

niittyä,

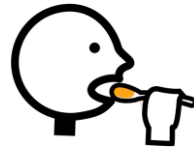

joku karjui:

minä

tulen ja

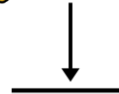

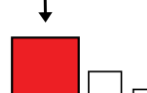

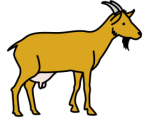

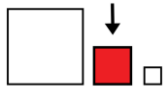

syön sinut

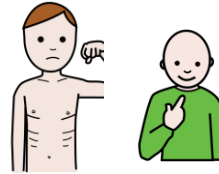

onnittelen sinua

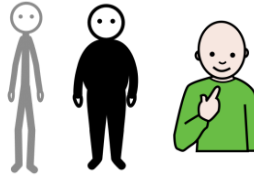

autan sinua

Keskipukki sanoi silloin, odota että Isopukki tulee. Hän on

heikompi kuin minä

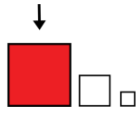

paksumpi kuin minä

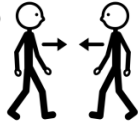

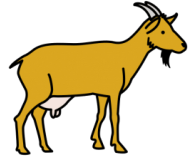

näkymätön

Kun

Isopukki

lähestyi

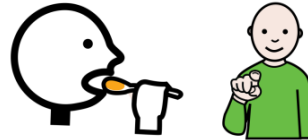

niittyä

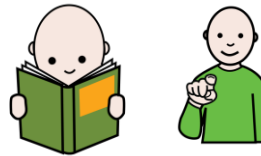

joku huusi:

minä tulen ja

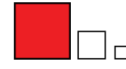

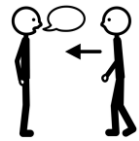

syön sinut

luen sinulle sadun

potkin palloa kanssasi

"Tule vaan",

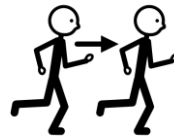

sanoi

Isopukki.

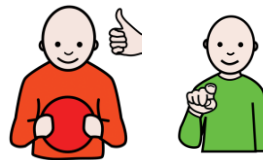

Minä

pusken sinua

jahtaan sinua

pidän sinusta
