

Tomtarnas julnatt

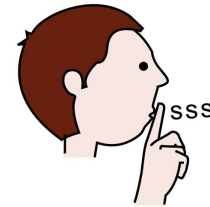

Midnatt råder,

tyst det är

i husen,

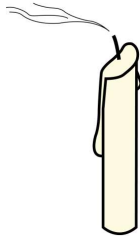

tyst

i husen,

alla sova,

släckta äro

ljusen,

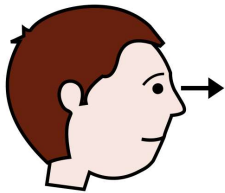

äro ljusen.

tipp tapp...

tipp tapp...

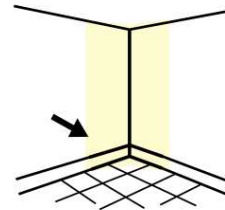

Se, då

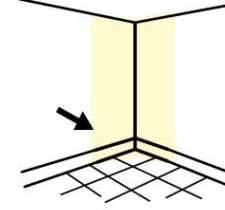

krypa

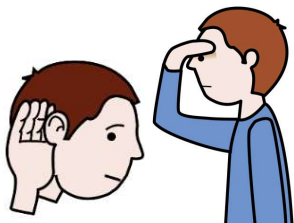

tomtar

upp ur vrårna,

upp ur vrårna,

lyssna, speja,

trippa fram

på tårna,

fram på tårna.

tipp tapp...

tipp tapp...

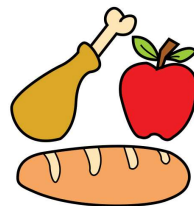

Snälla

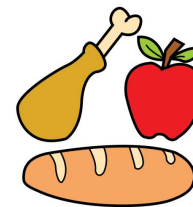

folket

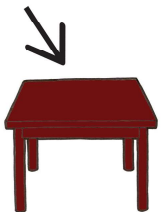

låt it

maten rara,

maten rara,

stå på bordet

1

åt en

tomteskara,

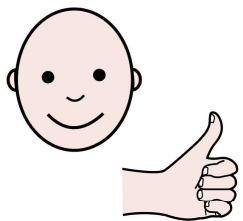

tomteskara.

tipp tapp...

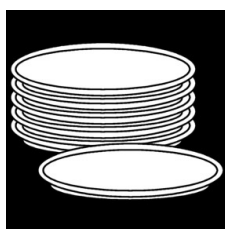

tipp tapp...

Hur de mysa,

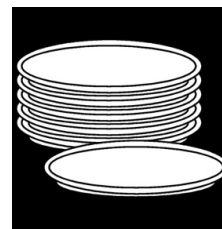

hoppa upp

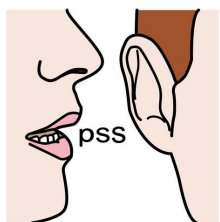

bland faten,

upp

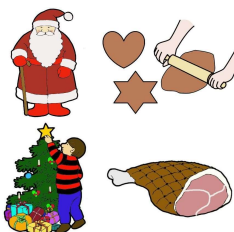

bland faten,

tissla, tassla:

"God är

julematen!",

"Julematen!"

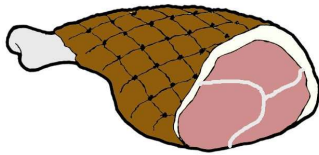

tipp tapp...

tipp tapp...

Gröt och

skinka,

lilla

äppelbiten,

äppelbiten,

tänk, så rart

det smakar

Nisse liten!

Nisse liten!

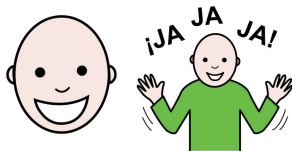

tipp tapp...

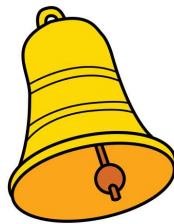

tipp tapp...

Nu till lekar!

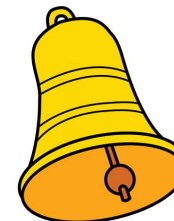

Glada skrattet

klingar,

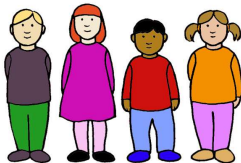

skrattet

klingar,

runt om granen

skaran

muntert svingar,

muntert svingar.

tipp tapp...

tipp tapp...

Natten lider!

Snart de tomtar

snälla,

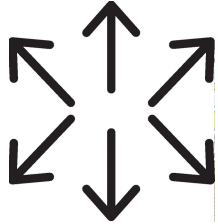

tomtar

snälla,

kvickt och näpet

allt i

ordning ställa,

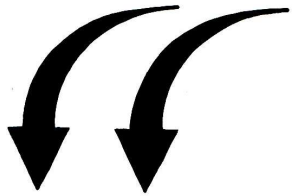

ordning ställa.

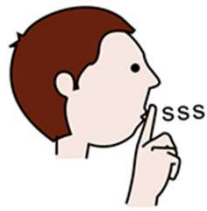

tipp tapp...

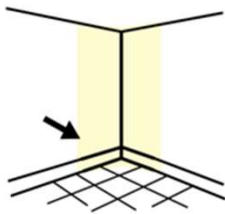

tipp tapp...

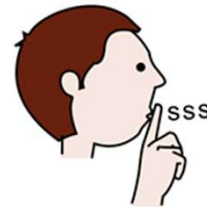

Sedan åter

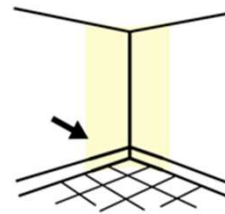

in i tysta

vrårna,

tysta

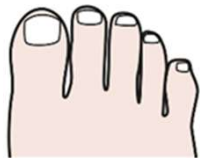

vrårna,

tomteskaran,

tassar

nätt på tårna,

nätt på tårna.

tipp tapp...

tipp tapp...
